Memorandum for the Record

Subject: Items Discussed at Lunch [REDACTED]

25X1

1. At lunch today [REDACTED] and I discussed the prospect of his coming out to Langley to participate in a discussion/dinner with the DCI. I told him the projected date had been postponed to the end of October or early November and described the format, including some of the possible variations, to him. [REDACTED] he was agreeable, could come any day in the week but that his preferences were Wednesday, Thursday, and Friday in that order. He also said he'd be happy to come out an hour or two early for some talk with me and the interested analysts [REDACTED]

He did not seem especially attracted to the idea of a two and a half hour seminar followed by an early dinner and another two and a half hour discussion. I [REDACTED] I'd keep in touch

2. Near the end of our discussion I asked [REDACTED] suggestions and recommendations for the NIO(WE) position and for the Review Panel. On the latter he had no ideas at the moment, though he was aware how difficult it might be to fill the positions the way we want them filled. On the former he strongly recommended his colleague [REDACTED] says, knows Europe as well as anyone can, though if he is a specialist it is in
